

No Sunday school? NO PROBLEM! Here's an adult level Sunday school lesson for this week!

The Scariest Verses

While we are canceled, I am going to send you some "scary" verses to wrestle with. Sometimes it's best just to kiss the demons on the lips! Fear is best dealt with head on in the grace and power of God!

I know, unlike the kids, you are probably *not* bored and probably don't have a lot of extra time :-) however, we want God's word to be a part of our daily life – so I offer this lesson for you to do as you are able!

For this week, read the following passage and then SEND COMMENTS to others in your class (or me, Pastor Mark), as you are able (phone, email, etc.). Comments can be made at any time! So let's wrestle with our first "scary" passage!

Hebrews 10:26-31
