

God Made Plants

This story is based on Genesis 1:11-12; 2:9;
Deuteronomy 8:7-8; Ecclesiastes 3:11.

God loves us very much. So He made a beautiful world for us to live in. God made many beautiful plants. And He saw that what He made was good.

Every spring God sends rain. *(Hold your hands high and wiggle your fingers as you bring them down like raindrops.)* The rain makes God's plants grow.

Some of the plants God made have pretty flowers. *(Point to flowers.)* Flowers look pretty, and they smell pretty.

Some of the plants God made are good to eat. *(Point to plants we can eat.)* God wants us to eat the good food He made for us.

Some of the plants God made are big. *(Raise your hands high. Point to a big tree.)* This tree gives us shade when it is hot.

God made many, many plants for our world. *(Spread arms wide.)* And God saw that everything He made was good.

Family Time

Spend time one-on-one with your preschooler or include your entire family in these activities that help you revisit the Bible lesson for this week.

On the Go

When you shop with your child, point out the varieties of fruits and vegetables. Talk about how apples grow on apple trees, and God made trees. Carrots and beans grew from tiny seeds in the ground. After each item is named, you and your child can say together: "Everything God created is good."

Snuggle Me

Look at real flowers and flower pictures to see how many red flowers, yellow flowers, etc., your child can find.

Creative Corner

Cut or tear pictures of fruits, vegetables, trees, and flowers from magazines or grocery store ads. Glue them on a piece of paper and write at the top, Thank You, God, for plants.

Bible Time

Use these Bible activities during family devotions or special Bible times you have with your preschooler.

In God's Book

Take a walk around your neighborhood to see some of the plants God created. Say this week's lesson focus as you point out plants. If you can't take a walk outside, take a "walk" through a book.

Let's Pray

As you see pretty plants and trees or eat fruits and vegetables, thank God for making them and for their uses.

LESSON FOCUS:
God made plants.

BIBLE MEMORY VERSE:
Everything God created is good. 1 Timothy 4:4
