

God Gives Adam and Eve All They Need

This story is based on Genesis 1:29; 2:8-10, 15, 18; 3:20-21.

Adam was the first person God made. God was good to Adam.

Adam needed a place to live. So God put him in a garden. It was God who made the garden.

Adam needed food to eat. There were little plants and big trees in the garden that Adam could use for food. It was God who made the little plants and big trees.

Adam needed water to drink. There was a river in the garden that went ripple, ripple.

Adam drank the water from the river. Sip, sip, sip. It was God who made the river.

So Adam had a place to live. He had food to eat. He had water to drink.

But Adam was all alone. So God made a helper for Adam. The helper was a woman named Eve.

Now Adam had food and water. He had a place to live. And Eve was there to help him. God gave Adam everything he needed.

Family Time

Use these activities throughout the week to review the Bible lesson as a whole family or individually with your child.

On the Go

Take a nature walk and look at the plants, animals, and water God provides for us to use and enjoy. If it's a rainy week, look at magazine and catalog pictures of things we need that God gives us—homes, food, water, plants, and friends.

Play Time

Make a simple memory game by gluing pictures of things we need onto index cards. You will need two of each item. Then play the game as a family. As you find each match say, "God gives us what we need."

Helping Hands

Sometimes God uses other people to give us what we need. As a family, help provide for a need in your community. Ask your church for a list of needs to be

met. You can pick one of those or take canned food to a food bank or clothes and toys to a shelter.

Bible Time

Use these Bible activities during family devotions or special Bible times you have with your preschooler.

In God's Book

Travel throughout your house as you retell the Bible story. You could go outside and smell flowers when you talk about the garden. Go to your kitchen to talk about food, and the bathroom to talk about water. When you talk about the helper God made for Adam, go to your family room or other area you spend time together as a family.

Let's Pray

As you move throughout your house retelling the Bible story, stop and thank God for giving us specific things we need before moving on.
